*** Definition of a watercraft:** A vessel or structure other than a fixed, permanent platform which is capable of navigation either under its own power or being towed. Jack-ups, semi-submersibles, and similar structures are deemed to be watercraft for the purpose of this application any insurance placed in reliance herein.

IMPORTANT: THIS APPLICATION IS TO BE COMPLETED AND SIGNED BY THE INSURED AND WILL FORM PART OF THE INSURANCE CERTIFICATE. The use of "if any" as an answer to any of the foregoing questions constitutes a representation by the insured to underwriters and upon which they are relying that after diligent inquiry the insured does not believe that it has, or is likely to have during the term of this insurance, any employees who spend 25% or more of their time at work aboard watercraft and does not mean that if the insured has any such employees that its liabilities to them will be covered by the insurance for which this application is made.

The premium charged and the conditions of this policy are based upon the information provided in this application. Any operational and/or physical changes in the nature of the insured's overwater operation during the policy period which materially changes or alters in any way the information contained in this application must immediately be advised to underwriters. Any changes advised will be assessed by underwriters to enable them to decide whether they are prepared to continue to provide this coverage and at what terms.
